

# VoIP @ CHARIS

To support our affiliates in IT related services.

CHARIS has subscribed to a VoIP service in our office. This allows us to share with you our licence under CHARIS to minimise the initial setup cost for your organisations .

- VoIP removes the barrier of physical locations, allowing for greater mobility and flexible work arrangements.
- Registered DID numbers give your users the privacy needed so their personal numbers are not exposed
- Seamless handing over from one person to another.
- Answers calls from anywhere in the world where wifi or data is available
- There would be a setup period of 10 to 14 Days

All cost would need to be paid annually. (Approx SGD 156 annually)

## Eligibility.

- To benefit from this program your organisation needs to be an affiliate of CHARIS.
- Opt-in required to subscribe to the above mentioned services
